Is your beneficiary information up to date?

Name your beneficiaries or update the beneficiary information for your account in the Christian Brothers Retirement Savings 403(b) Plan by directly contacting Vanguard online or by phone.

This cannot be done through your benefits office. Contacting Vanguard is the only way to designate the beneficiary you want to have on record.

To name a beneficiary or change your beneficiary information online:

1. Log on to your account at vanguard.com/retirementplans.
2. Select **My Profile**.
3. Select **Beneficiaries**.*

Note: If you have other accounts with Vanguard, you will need to select **Employer plans** before you click the **My Profile** tab.

Your Plan beneficiary designation supersedes any other designation, such as a will or other legal document, regarding Plan savings. Federal law requires that your employer distribute your savings to the beneficiary named in your Plan.
