

Diocese of Fort Wayne-South Bend
SAFE ENVIRONMENT PROGRAM
Education Report

Purpose: To document the teaching of annual safe environment education to all students in parish religious education programs.

Directions:

1. In the table, list all the sessions in which the *Safe Environment Script*, *The Swimsuit Lesson*, or *Boundaries (grade 6-8 material)* were presented to children.
2. For each session, provide the date of the session, grade level of students, number of students present, presenter name, and program name.
3. Do not include other safety curriculum on this page.
4. Line a – Enter the total the number of students who received the safe environment session in religious education classes. Do NOT include all students who reviewed the material at home.
5. Line b – Enter the total the number of students who were absent and could not make up the session. (Note: for these students, send a copy of the material to the parents with a request that they review it with their child)
6. Line c – Enter the total number of students whose parents did not want them to attend, if there were any. (Note: for these students, offer/send a copy of the material to the parents with a request that they review it with their child). Each parent must sign a **PARENT REFUSAL FORM**. Please keep all of these forms on file at the school.
7. Line d – Enter the number of high school students in your program, if there are any, number of students who dropped out, or any other number necessary to make your total add correctly on the next line.
8. Line e -- Enter the total number of children enrolled in your religious education program. Please make sure this number equals the sum of the four numbers above it!
9. Enter the data for the grade three assessments. Please make sure the number of grade three students matches the number in the table. For the average score, enter either the total number correct out of 6 possible (e.g. 4/6) or the percentage (e.g. 66.7%). For the range, use the number correct out of 6 or the percentage (e.g. 6/6 to 1/6 or 100% to 16%).
10. Enter the data for the grade six assessments. Please make sure the number of grade six students matches the number in the table. For the average score, enter either the total number correct out of 10 possible (e.g. 8/10) or the percentage (e.g. 80%). For the range, use the number correct out of 10 or the percentage (e.g. 10/10 to 6/10 OR 100% too 60%)
11. Please complete the information at the bottom of the page and review it with the pastor of the parish.
