Notes to instructor:

This quiz is required for students in grade three. It is optional for grades one and two.

For grade three, give this quiz to the students after the ***Good Boundaries Script*** presentation.

Please report on FORM 3:

- the number of students who took the quiz
- range of scores (low score – high score)
- average score of all students

Other way to use the quiz for grades one or two.

For children who have heard the presentation in previous years, begin by having them complete the test. Then go over it, letting the children tell you the correct answers and see what material must be reinforced. Using this method, you will talk over all the main points of the ***Script*** presentation with them.

Be sure to send the quiz home with the children to create a sharing opportunity with their parents or guardians.
