

# Catechetical Curriculum Guidelines

Grade Four

## The Tasks of Catechesis

“**Jesus formed His disciples** by making known to them the various dimensions of the Kingdom of God. He entrusted to them ‘the mysteries of the Kingdom of Heaven’; He taught them how to pray; He opened His ‘meek and humble heart’ to them; and He sent them ‘ahead of him in pairs to every town and place He intended to visit.’

The fundamental task of catechesis is to achieve this same objective: The formation of disciples of Jesus Christ. Jesus instructed His disciples; He prayed with them, He showed them how to live; and He gave them His mission.”

*National Directory for Catechesis #20*

From this flows the Six Tasks of Catechesis:

1. Promoting the knowledge of the faith
2. Promoting the knowledge of the liturgy and sacraments
3. Promoting moral formation in Christ
4. Teaching the Christian how to pray
5. Preparing the Christian how to live in community
6. Promoting a missionary spirit

Grade 4

### Goal for Grade Four:

To help the children form their consciences according to the teachings of the Catholic Church, and to learn the basis of Christian morality taught in the Ten Commandments and the Beatitudes. –  
Goal content is developed in Task Three.

### Evangelization

“The Church’s evangelizing activity consists of several essential elements: proclaiming Christ, preaching Christ, bearing witness to Christ, teaching Christ, and celebrating Christ’s sacraments.” *NCD #17*  
. . . Within the whole process of evangelization, “the definitive aim of catechesis is to put people not only in touch but in communion, intimacy, with Jesus Christ: only He can lead us to the love of the Father in the Spirit and make us share in the life of the Holy Trinity.” *CT #5*

**Inculturation – Promoting the Gospel in each Culture**

“Catechesis must **reflect an understanding of the culture** in which the learner lives and how the Gospel message can transform the culture. Inculturation involves **identifying the presence of God and traces of the Gospel message in a culture** and **discerning how the Gospel message can be brought effectively** to the people of that culture. A **catechesis of inculturation** means **presenting the teachings of the faith in a complete and authentic way in dialogue with the language, customs, and practices** of those to whom the Gospel is presented. The **cultural pluralism** in the United States is a positive value. **Distinct cultural identities** should be preserved while the unity of faith is promoted.” Inculturation will be illustrated through the lives of the Saints.

### **Fundamental Objectives for Evangelization**

1. "To foster in the heart of every believer an experience of personal conversion to Jesus Christ that leads to a personal renewal and greater participation in the Christian life in the Church, the Mystical Body of Christ."
2. "To encourage a greater knowledge of the Holy Scriptures and Sacred Tradition of the Church."
3. "To focus their efforts and resources on the conversion and renewal of every parish, especially through the implementation of the Rite of Christian Initiation of Adults."

4. “To rededicate themselves to a liturgical renewal that develops a greater appreciation for the presence and power of Christ in the word of God and the Sacraments of the Church, especially the Eucharist, and a stronger commitment to celebrating the Eucharist each Sunday.”
5. “To make the evangelical and social justice dimensions of the Sunday Eucharist more explicit.”
6. “To call their people to a more effective integration of daily prayer in their lives, especially the ancient practice of praying the Psalms and the Church’s Liturgy of the Hours, contemplation of the mysteries of the life of Christ through the Rosary, and a greater reverence of the Eucharist through adoration of the Blessed Sacrament.”
7. “To ensure that all Catholic institutions, especially parishes, are accessible and welcoming to all.”

“These pastoral directives for evangelization give catechesis in the United States a missionary dynamic that encourages us to continue to evangelize the culture, affirming what is compatible and challenging what is not:

Seeing both the ideals and the faults of our nation, we Catholics need to recognize how much our Catholic faith, for all it has received from American culture, still has to offer to our nation.

The ministry of catechesis, as an essential moment in the Church’s mission of evangelization, is a fundamental ecclesial service for the realization of the missionary mandate of Jesus here in the United States.”
